

A Seminar on ‘Influential Female Personality’

Coordinated by MOIST

Organized by **L. J. Institute of Applied Sciences**

L.J.I.A.S. feels gratified to have organized its first event of Women Development Cell. We are grateful to MOIST and FEMAFEST who has given us opportunity to organize this Seminar on the Influential Female Personality. The agenda of the Seminar covered a wide range of very interesting topics related to Communication Skills and Time Management. It was organized on 10th March, 2016 at 11 A.M. in the auditorium hall of L. J. M. C. A. There were 130 participants present in seminar.

We started our seminar with Mrs. Sapna Kedia’s familiarities and opinions on Communication Skills. The session was highly interactive. She gave relevant example to show impact and need of effective communication. Through games students realized their style of communication and personality. Further session was sustained by Miss Hitanshi Gandhi, trainer for Time Management Skills. She explained with audio visuals about managerial strategies, how to prioritize your tasks. It was followed by a self-evaluating questionnaire.

Towards the end we concluded with the guest invitee Mrs. Jyoti Sudhir’s visions on how we should set our goals and strategies to implement our to-do list. Finally the seminar was ended with question answer session in which students presented their queries regarding time management skills.
