

Orientation Program @ LJMCA

LJMCA believes in the concept of not only giving the best teaching to the students but also in building robust relationship with them forever. Once they step into our institute they become our permanent family member.

With this intention and to welcome our new comers, our institute organized an orientation program both for MCA Lateral (Sem – III) and MCA Integrated (Sem – I) on **Thursday, July14** 2016 and **Monday, July18** 2016 respectively. Along with the students, the parents were also were our special invitees in the program. Around 90 students and their parents attended the program. During the program, they were not only being introduced with our education system, but also with the culture and expectations that the institute is having from them. Beyond this there was preface on today's competitive environment in the IT industry and the path for making the dreams to come true. Beyond this they had a virtual tour of the college supported with videos and power point presentations. The Program ended with tea and snacks.

On the day of the Orientation program, the department was decorated with flowers and lights. The program was conducted in the LJMCA auditorium. Function was started with Ganesh Vandana and lamp lightning.

Orientation Program @ LJMCA

Our honorable Director Prof. Alok Manke gave speech, addressing the points on the sources available, the supporting system the institute is having and a brief introduction of LJ.

Orientation Program @ LJMCA

Prof. Manish Gaharwar, Head - L.J. Industry Interaction and Placement Cell (LJIIPC), discussed the activities being conducted in the Placements department and how a student can crack a better job.

Orientation Program @ LJMCA

At the end of the program, parents visited the campus, which was followed by the parents-teachers interactive session. The parents were highly satisfied with the kind of arrangements and smooth conduction of the program.
