

L.J. Institute of Engineering & Technology (L.J. Centre of Excellence)

ORGANIZES

SUMMER SCHOOL 2017

DESIGN WORKSHOP

MECH/AUTO ENGINEERING

DURATION: 5th June, 2017 to 21st June, 2017 (15 working days)

TIMING: 9:30 am to 1:30 pm

Workshop Highlights

→Solid works training →Basics of Fusion 360 →Industrial Visit

Detail schedule

Day 1 to Day 12: Solid works training

Day 13 to Day 14: Basics of Fusion 360

Day 15: Industrial Visit

SolidWorks course

<u>Part Modeling</u>	<u>Assembly Module</u>	<u>Detail Drafting</u>
# Sketch-Constrain-Dimension	# Top-Down Assembly	# Views Projection
# Solid Modeling	# Bottom to Top Assembly	# Detail Dimensioning
# Weight Calculation	# Exploded & Animation	# BOM & Balloon

BENEFITS OF THIS WORKSHOP

- Solid works is one of the leading 3D modelling software which helps in creating the design of your imagination.
- Learning solidworks will help in creating design models for your Design engineering projects as well as the final year projects.
- Course completion certificate will be provided.
- These certificates also work as an extra advantage while appearing for job interviews.

REGISTRATION FEES

- Rs 2000 (non-refundable)
- Last date for registration: June 3, 2017
- Ask for registration form at L.J Engg Admin office
- You can also contact student coordinators for your registration
