

L J INSTITUTE OF PHARMACY, AHMEDABAD

English Proficiency Course Induction Report

Date: 19th July 2018 (Thursday) Time: 1:30 onwards

Venue: 109, Seminar Hall, LJIP

L J Institute of Pharmacy, Ahmedabad carried out survey regarding the interest of students/ career goals to improve their skill set for making them competent enough for professional world. From which further studies in India as well as abroad and entrepreneurship were some of the options which students might have interest in. For competing in the professional world, english proficiency and computer proficiency were the most important skill set required. In light of the above considerations, LJIP organized an induction program on 19th July 2018, Thursday (1:30 onwards) by Prof. Apurva Bhagat, LJiMBA for interested students in english proficiency course. The program started with the importance of english language fluency for effective communication thorough out the professional world. Further details of english proficiency course including the time duration of course and fee structure were given to students and if students want to go for IELTS exam. Feedback was taken from students for their interest in pursuing the english proficiency course after the induction.
