About LJK

Lok Jagruti Kendra (LJK) is a charitable trust and registered society, founded in the year 1980 by eminent academican, Prof. B. M. Peerzada (former Dean, Commerce faculty, Gujarat University). LJK has 23 institutes offering graduate and postgraduate courses in technical & non-technical fields.

About L. J. Institute of Pharmacy

L. J. Institute of Pharmacy is one of the leading self financed pharmacy colleges approved by AICTE and PCI, affiliated to Gujarat Technological University (GTU) in Ahmedabad. The institute, established in the year 2004, is located in a picturesque lush green area of around 14 acres in the heart of Ahmedabad. In 14 years of existence, the institute has made significant progress. The real strength of the institute is proactive management, dynamic, committed, qualified and disciplined staff. The institute offers 4 years B.Pharm. course and also M.Pharm. Courses in Pharmaceutical Technology, Pharmacology, Quality Assurance (QA), and Quality Assurance & Pharm. Regulatory Affairs (QARA). It also provides excellent infrastructure for carrying out research work. It has well equipped laboratories with various modern sophisticated instruments. The research oriented staff comprises of 6 Ph. D. holders. The institute has entered into MOUs with various industries. It is also approved by Department of Scientific and Industrial Research (DSIR) as SIRO. The institute encourages co-curricular activities and ensures the campus to remain vibrant and lively.

OBJECTIVE

The objective of this two days Refresher course sponsored by Gujarat State pharmacy Council is to upgrade the professional knowledge of pharmacy professionals i.e. Hospital pharmacists, pharmacists involved in retail or whole sale business of drugs/medicine, academic and all registered pharmacists.

This workshop will enrich participants about the role of Pharmacist in responsible use of medicines. The sessions are destined to have deliberations by eminent personalities from academia, Industries, medical profession, regulatory bodies and FDCA. The sessions will primarily focus on proper use of medicines to save lives, restoring health, prevention of diseases and toxicity, role of pharmacists in patient counseling, good storage practices, drug-drug and drug food interactions.

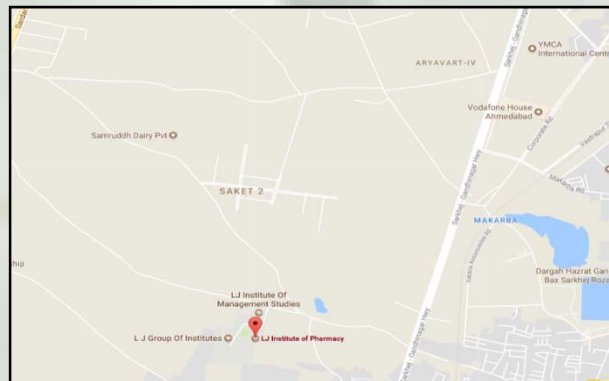

By Pharmacy Practice Regulation 2015, it has been made mandatory by the Pharmacy Council of India for all the Registered Pharmacists to attend the two days refresher course for the renewal of registration with the State Pharmacy Council.

VISION

LJIP is committed to provide education and training to produce qualified pharmacists capable of responding to changing competitive environment and lead the pharmaceutical industry towards a better tomorrow through long-term vision
