

# Corporate Training / Industry Interface

LJ Group of Institutes has signed MOU with Ford Motor India to train the employees of its SVAEP (Sanand Vehicle Assembly & Engine Plant). Since August 2013, we have trained more than 5200 employees. They learned all aspects of required Technical & Behavioural Skills; including Organization Culture & Values, Safety, Quality, Basic Engineering, Vehicle Operation, Powertrain Operation, Communication, Presentation, Spoken English, Conflict Management, Emotion Intelligence, Team Work, Time Management, Attitude, Discipline, 5S and Corporate Etiquettes as well as Physical Activities. Course Material has designed by Trainers of LJ Polytechnic with coordination of SVAEP HR Training Team

LJ Group of Institutes has signed MOU with Toyota Kirloskar Motors Bengaluru, for its SA T-TEP (Service Advisor Toyota Technical Education Programme). For that LJ & Toyota have developed world class State-of-Art Automobile Workshop. In this Programme, we develop Service Advisors for Toyota Dealer Network. More than 80 Service Advisors have been placed at Toyota Dealer Network across Gujarat.
